

PBS KIDS and Random House join to support science learning for preschoolers nationwide with THE CAT IN THE HAT KNOWS A LOT ABOUT THAT! Voiced by award-winning actor Martin Short, Dr. Seuss's The Cat in the Hat guides friends Sally and Nick - with a little help from the Fish, Thing 1 and Thing 2 - on fun-filled adventures where they make natural-science discoveries,

from how bees make honey to why owls sleep during the day. Filled with both adventure and silliness, THE CAT IN THE HAT KNOWS A LOT ABOUT THAT!, based on the acclaimed The Cat in the Hat's Learning Library book series, appeals to preschoolers' natural curiosity, and engages them in the process of scientific exploration and discovery.
