• Candidates agree to participate in a press conference immediately following the live debate. The press conference will be facilitated by a representative from the League of Women Voters of Illinois and will take place in the TV studio. • Candidates will be provided with water, a note pad and pens. Candidates are not permitted to bring in notes, props or ringers in the audience.

• Audience members are not permitted to wear or display anything showing a candidate's name. Audience members are not allowed to exhibit (by cheering, clapping for or booing, for example) support for or opposition to any candidate.
