Enjoy a beautifully lit evening departure from Ghent as we cruise through the night. (B, L, D)

### Day 9 Saturday: Delta Works & Rotterdam, The Netherlands

After breakfast travel to the region of Walcheren, formerly an island of the southwest Netherlands. Stop in Veere and enjoy a walking tour of this engaging, time-honored town. From here, travel to the Delta Works, the ingenious system of enormous doors that can be lowered during spring tides to protect the area from floods while allowing the tides to ebb and flow. Rejoin your ship, which has sailed on to Bruinisse, for lunch and afternoon sailing. Arrive this evening in Rotterdam, the world's second largest port. After an onboard dinner, you have free time to explore the city. It has been significantly rebuilt after much World War II destruction, and some of its architecture is quite innovative. (B, L, D)

The new DOT ruling bans the practice of increasing the price on air-inclusive vacation packages after payment is received, unless the consumer agrees in writing to the possibility of price increases before any payment is taken. The written consent ensures consumer awareness and acknowledgement of the possibility of a post-purchase price increase (due to taxes, fees and fuel surcharges).
